# Join Our Seed Pack-it Team

Seed Pack-it

## What is it?

Our signature family service project! Families join together to assemble and personalize the contents of a care package for someone in need.

In 2008, hundreds of SixSeeds families filled boxes with over \$250,000 in personal care items and gifts to soldiers serving in Iraq. This year, we will be filling backpacks for school children in Tijuana, Mexico with school and hygiene supplies.

Children in this impoverished city area just across the border lack the basic necessities for everyday life and school. Over the past three years, SixSeeds has developed a special connection with this community through a family service pilot project developed with our partner, WorldVision.

Together, we provided much-needed on the ground assistance to the people of Tijuana. Join us in supporting the children of this community in need by signing up for this year's Seed Pack-it project team!

## How it works...

SixSeeds does the behind-the-scenes work to identify a charitable partner in a specific region of the world, coordinates the logistics and develops guidelines for the Seed Pack-it contents.

We try to make the project "bite-sized" enabling families with children of all ages to help others in need.

We believe that these small seeds of effort and compassion by each participating family, can indeed grow to benefit many in a meaningful way!

## How to get involved...

It's easy! Just come by our store at 600 Main St. Winchester, MA. You can pack a backpack (or a bunch) right at the store, or bring one or more home to pack at your convenience. Each Pack-It costs only \$25 and includes a high quality backpack and more than a dozen items. Bring the Pack-It back to the store and the shipping is on us!

## How to place an order...

If you can't visit us at the store, place an order by e-mail or phone:

[SeedPackit@SixSeeds.org](mailto:SeedPackit@SixSeeds.org) or 781.721.1422.

We'll ship you 1-9 backpacks at \$35/Pack-It and you'll handle the shipping to our warehouse in CA.

For orders of 10+ backpacks, the cost is \$25/Pack-It and shipping is free.

All payments should be made to "SixSeeds" and are tax deductible.

## When you get your Seed Pack-it...

Pack it with care... Make it your own family project or host a "Seed Pack-it" party for friends – you decide. Work together with your children to create something personal to add to your Pack-It. Your letters, photos and drawings will certainly bring a smile to someone's face. Seed Pack-its make a great group service project too.

When the backpack is filled, bring it to SixSeeds Video, 600 Main Street, Winchester, and we'll ship it for FREE. If shipping on your own, please send to: C/O Ball Automotive Group, World Vision CA 1940 National City Blvd., National City CA 91950 (Backpacks will be delivered to the children by truck from our CA warehouse address).

## Content List

(All included in the Seed Pack-it)

Backpack, personal letters, photos and/or drawings from your family\*, box of pencils, box of pens, spiral notebooks, pencil sharpener, eraser, crayons, ruler, addition/subtraction flashcards, multiplication/division flashcards, toothbrush, toothpaste, bar of soap, washcloth and a fleece blanket.

\*ONLY letters, photos, and drawings may be added to the content list due to strict customs requirements.

Through our partnerships with WorldVision and Staples, we are able to provide the Seed Pack-it materials in a highly cost effective manner (valued at over \$60!).

## Are you up for the challenge?

Our goal is to have 5,000 backpacks in the hands of the children of Tijuana. To help meet this goal, SixSeeds has pledged to match the first 2,000 backpacks sent this year!

Join us in supporting children living just across the border, by signing up for this year's Seed Pack-It team!
